THREE WOMEN and a BOY

Due to Christian persecution in Pakistan, a desperate family of 4, who have already lost a sister to the violence, are living in exile in Thailand. They have been living in a cramped 1-bedroom apartment where they are unable to enjoy sunshine and fresh air for four years. They fear being found and deported.

We have been in communication with this family for over 2 years. They seek safety and a better life here in Canada.

We welcome you to partner with us to raise funds to end their suffering. Thank you.
